

*When you feel heard,
your patients feel better.
When they feel heard,
you feel more connected.*

When honoring your staff for their service & dedication,
consider a gift of *Care for the Journey*.

*“Brimming with compassion,
hope, and understanding,
Care for the Journey
will inspire and comfort
anyone navigating the seas
of health and illness.”*

-Barbara Dossey
RN, PhD, HNC, FAAN
& Larry Dossey, MD

Reinforcing the Bridge between Meaning & Medicine

CARE *for the* JOURNEY

- Beautifully and skillfully woven to renew and restore all of us who care... *Care for the Journey* takes a direct path to the listener's heart.

William Stewart, MD
Co-Founder and Medical Director
The Institute for Health & Healing
California Pacific Medical Center, San Francisco

- We are using *Care for the Journey* as a reflection...the members now want to play a track at the beginning of each of our meetings.

Linda Ryan Ph.D., RN
Director of Nursing Quality, Research
& Professional Development
RMC Nursing Administration

- We played the CD during Nurses Week.. the messages and music draw you to a quiet space inside your professional soul. They give meaning to what can easily be lost in the flurry of a task...the gift of caregiving is celebrated, nurtured, and witnessed with clarity.

Mary Ann O'Connor, Director
Clinical Operations Improvement
Scripps Mercy Hospital, San Diego

- A wonderful distillation of teachings that can help healthcare workers reconnect with their reason for entering this field.

Charlotte Eliopoulos RN, PhD, MPH, ND
Beginnings Magazine, June 2005
American Holistic Nurses Association
